

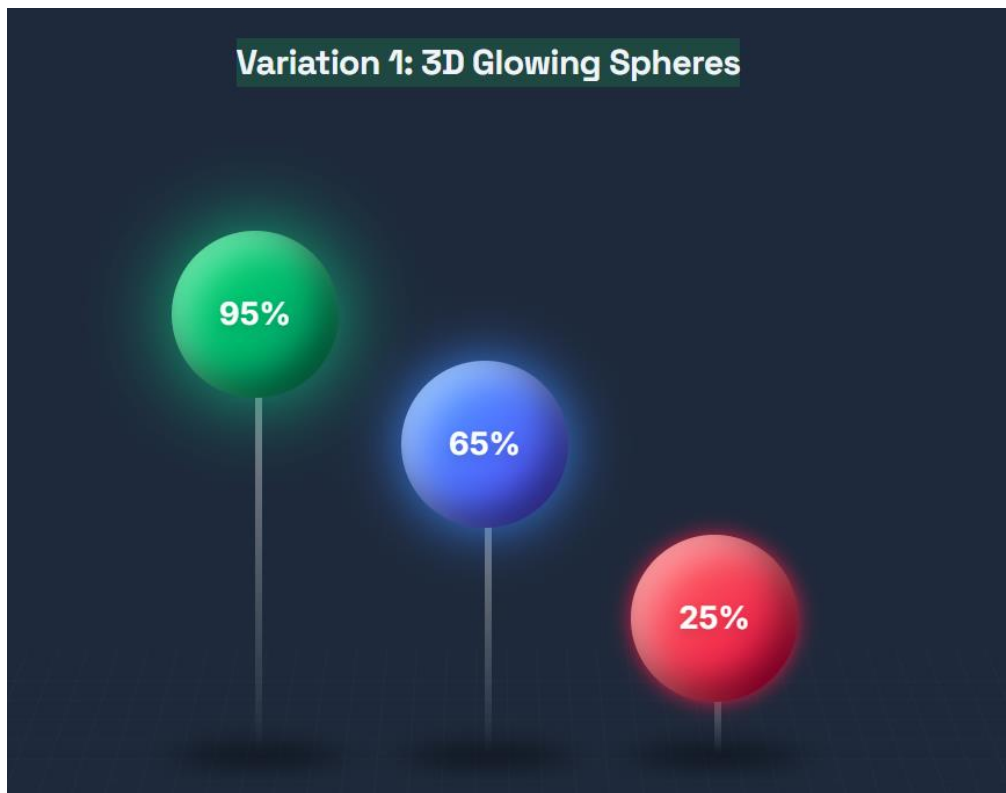

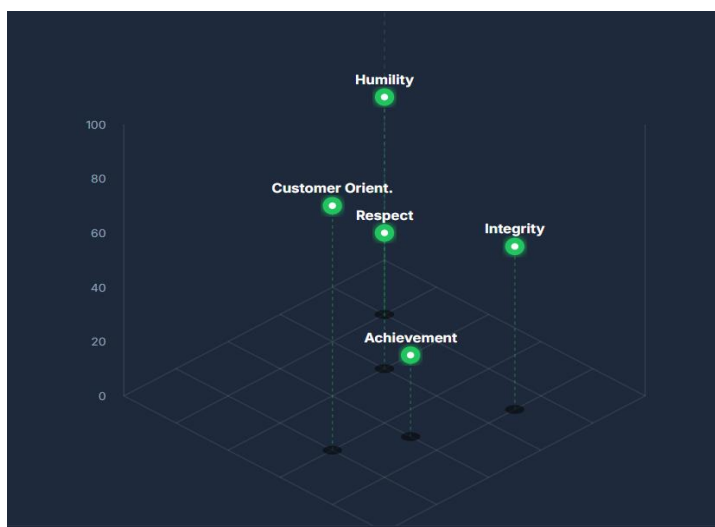

Chart 1: Add few more spheres with the labels: Coding and development, Client Satisfaction and header of this chart should:

Organizational competency profile at a glance

2. Header: Personalized reports for every member of the team: Value profile

3. . Header: Personalized reports for every member of the team:

Your Competency Profile 2026

4. Header: Assignment closures at the Org. Level: **(this chart can be brought as a second chart)**

Labels can be: **Feature developments, High Complex Ticket Resolution, learnings and Certifications,**

5. Personalized reports for every member of the team:

Instead of calling employee, can we call with a name say ; Ananya's average, Ananyas best types

Also the alignment of labels are not proper here
